

Publication of DUoS Charges

- Ø DNOs are required to publish Final DUoS charges fifteen months in advance of the implementation date. Charges are calculated on an annual basis and published no later than 31st December
- Ø Charges are outlined in Use of System Charging Statements, which are published in a standard format approved by Ofgem:
 - Annex 1 – LV and HV Charges (CDCM)
 - Annex 2 – EHV Charges (EDCM)
 - Annex 4 – LDNO Charges (CDCM and EDCM)
- Ø Charges within the statement are shown exclusive of VAT
- Ø The charges are also presented in excel format in files titled 'Schedule of Charges and other Tables'
- Ø All charging documents are publicly available on the SSEN website
