Subject: RE: *** [REDACTED] *** New Supply- [REDACTED]

Good Morning,

Thank you for your email.

We have all the information we require to progress your application for a **New Supply** under job reference number [REDACTED]. I have sent your details to your Local Connections Quoter who will contact you with your quotation.

I have attached a copy of the site boundary drawings as per our conversation, if this boundary is incorrect and needs amending, please advise us as soon as possible so you receive the most accurate quotation.

It is important to note: We install the service cable and the cut-out fuse only. We are unable to fit your meter. Click [here](#) for more information regarding your new supply.

Once you have received your MPAN please contact your chosen electricity supplier to arrange for the installation of your electricity meter.

For any future requests you can apply online at www.ssen.co.uk/Connections/ or by telephone on 08000483516.

Kind regards

Subject: Land rear of [Redacted]

Dear Sir,

Please find the attached documents for new electricity connection for 2 meters, one for the new 1-bedroom flat and a landlord's meter for general lighting only – no specialised equipment.

Yours faithfully

A large black rectangular redaction box covering the signature area.
